USER GUIDE

FOR

Women Involvement in Science and Engineering Research (WISER)

The below mentioned instructions are to be followed while submitting WISER proposal using the IGSTC Applicant portal.

Women Involvement in Science and Engineering Research (WISER) aims to build scientific capacity, retain, encourage, and promote women researchers.

- Women researchers holding regular positions in academia/research institutions/industry are eligible for the programme.
- The tenure of the grant will be up to 3 years.
- WISER programme has no age limit.
- The applicant must be working either in India or Germany.

- The paired applicants must define their roles in the proposed project, along with details on the objectives, execution strategy, and expected outcomes.
- The applicant shall specify the value-addition to the project at the host country.
- Applicants are solely responsible for identifying and forming their respective pairs. The applicant should ensure an endorsement/consent letter from the collaborating researchers at the time of the application.
- No Objection Certificate (NOC)/Endorsement letter from the head of the institution (present organisation) must be submitted by the applicant.
- The awardee shall commence her first visit within 12 months from the date of the award letter.
- The awardee will abide by the conduct, rules & regulations of the host and the host country. IGSTC will not be responsible for violation of any Rules & Regulations by the awardee.
- The awardees must intimate IGSTC through email/letter in case of discontinuation from the programme.
- The awardees must recognise and acknowledge IGSTC in all online/print documents, communication, reports, publications, conferences, theses, etc. on work emanating from the grant.
-
